

2017 SA Hoporee

How to calculate your T-Shirt size

- Take a similar garment from your wardrobe and lay it flat on the table.

- Smooth it out with no wrinkles.
- Measure from just under the sleeve seam, across the chest to the other sleeve seam.
- This is a half chest measurement.
- Keep in mind that your child will experience growth before the commencement of the Hoporee, so be generous in your sizing.

- Below are half chest measurements from Kid's size to Adult 3XL. (For example, if your half chest measurement is 57cm, then your Adult size will be a Large.)
